

FACTS ABOUT THE COALITION OF QUALIFIED ASSOCIATION HEALTH PLANS

WHO WE ARE:

- We are a partnership between the Master Builders Association of King & Snohomish County, The Building Industry Association of Washington, and the Northwest Marine Trade Association.
- Together we represent over 10,000 member companies from across the state from large companies employing hundreds to sole proprietors in the building, construction, and maritime trades.
- Our member focused associations have been in Washington State for decades and provide a variety of member benefits including: outreach programs, education opportunities, skill based learning tools, philanthropic endeavors, community service and access to proven association health plans that serve their members.

TOGETHER WE:

- Have provided an association health plan to our members since 1990.
- Cover upwards of **2,500 member companies** in Qualified Association Health Plans.
- Cover upwards of **60,000 men, women, and children from across the state.**
- Have paid **\$818 million dollars in benefits** to our members since 2010.
- Have contributed more than **\$32 million dollars in taxes** since 2010.
- Provide comprehensive benefit plans that meet or exceed all standards set forth by the Affordable Care Act.
- Received a [letter of approval](#) from the commissioner's office in 2012
- Have actively engaged and will continue to collaborate with the Office of the Insurance Commissioner to find an agreeable solution that allows us to continue to serve our members.
